EXPERIENCE

Founding AI/ML Engineer

f-ai

Jun 2025

Bengaluru, Karnataka, India

- Built AI/ML codebase from scratch, improving processing performance by 90% and driving a 90% increase in business customers.
- Designed scalable data schemas and extraction pipelines achieving 100% accurate document processing and validation.
- Pretrained, fine-tuned, and deployed custom AI and agentic models via FastAPI-based monolith, streamlining workflows and boosting productivity.
- Built CI/CD pipelines for deployment across GCP and AWS.
- **Technologies:** Python, FastAPI, React.js
- **Tools:** n8n, LangChain, LangGraph

Teaching Assistant

IIIT Trichy

Aug 2023 - Jul 2025

Tiruchirappalli, Tamil Nadu, India

- Supported instruction and led tutorials in DBMS, DSA, and Programming Paradigms for B.Tech Computer Science students.
- Graded assignments and provided academic support to strengthen student understanding and performance.

Research intern

Tripura University

Jul 2022 - Aug 2022

Tripura, India

- Examined decentralized ledger technologies for anti-theft applications in vehicle networks, pinpointing three key areas for improvement in data encryption, thereby reducing potential theft.
- Proposed and presented innovative security enhancements for urban vehicle networks.

SKILLS

Languages:	C, C++, Python
Web & Frameworks:	HTML, CSS, JavaScript, Django, Flask, FastAPI, React Native
Databases:	MySQL, PostgreSQL (Supabase), Firebase, Neon db
AI/ML:	ML,DL,NLP,Transformers,RAG Pipelines,LangChain,LangGraph,LLM
Tools & Platforms:	Git, Docker, Hugging Face, Kaggle, n8n, Linux

PUBLICATIONS

- Sayan Das, Dr. M. Ambika, “From Data to Harvest: Leveraging Machine Learning and Dataset Visualization for Crop Prediction”, MIND 2024 Conference (Springer CCIS, December 20-21, 2024).
- Sayan Das, Dr. M. Ambika, “Revolutionizing Indian Farming: Machine Learning-Powered NLP for Optimal Crop Recommendations”, ICLMDE Conference, Dehradun (Elsevier, November 28-29, 2024).

EDUCATION

M.Tech (computer Science) , IIIT Trichy CGPA: 8.7/10	2023 - 2025
B.Tech (computer Science) , NERIST CGPA: 8.52/10	2019 - 2023
XII (Science (PCM)) , NERIST CGPA: 8.2/10	2017 - 2019
X , Don Bosco School CGPA: 10/10	2017
